

TERMS OF SERVICE

FOR GET OUT THE FLOAT 2028

Summary

Get Out The Float requires that all members do their best to contribute to a safe, fun and welcoming environment at Get Out The Float (GOTF). Most importantly, Get Out The Float (GOTF) is an all ages event with a maximum rating of PG-13/SFW. Please be sure the way you present yourself and your actions are suitable.

Major disruptions to the PG-13 environment may result in the loss of membership privileges, removal from events, and suspension of future participation. If you see or experience violations of the Code of Conduct, please report them to the F.L.A.R.E. desk during the convention.

Anyone who accepts a Get Out The Float (GOTF) membership or badge agrees to indemnify and hold harmless GOTF from any claim for personal injuries or other damages or equity arising out of any individual's activities at GOTF, even if such injury or damage is caused by negligence by or on the part of GOTF. As a condition of membership, everyone attending GOTF is required to abide by the rules set forth in this document for the entire duration of their stay.

Thank you for reading and for your understanding.

In Detail

Get Out The Float (GOTF) started as an event that blurred the lines between the depth and breadth of a furry convention and the public interaction of a charity fursuited group. Then as now, public fursuited is done for as many reasons as there are fursuiters. Below we detail some of the specifics that need to be addressed to facilitate events that are good for our volunteers and staff; participants, venues, and in the best interests of our local community.

1 FOREFRONT CONSIDERATIONS

1.1 Public Areas

When in public or in public areas, participants may not wear clothing which is overly revealing or inappropriate to the atmosphere of the event. The attire you wear is to be in good working order and complete. Public areas are any areas not being operated by the convention. Video and sound recording may be conducted by anyone, for any purpose without your permission or consent.

1.2 Non-Public Areas

Non-public areas include spaces inside our venue(s); these areas are not open to the general public. This is also known as "the con space." Video and sound recording may be done by any of our attendees and staff provided they are unobtrusive and respectful. The person taking photographs or recording video must get the permission of anyone included in their photo(s) or video(s).

1.3 Private Areas

Private areas at GOTF include our Headless Lounge, and any other area so designated by Operations staff. There may be people changing from one outfit to another or partially dressed to cool off. Taking photos or recording sound or video are not allowed in private areas.

1.4 Restricted Areas

Some areas are generally off-limits to convention attendees as well as the public. These are areas where convention volunteers and facility staff help make the convention happen. If you have a need to go to such an area, you must be escorted by a member of F.L.A.R.E. or a volunteer authorized by Ops. Follow any posted signage or markings.

1.5 Media

Representatives of media outlets are permitted only with prior approval from GOTF and when escorted by an assigned staff media liaison. Anyone working as members of the media must have their own permission forms in-person where individuals may opt-in/opt-out in writing. A copy of all consent forms will be kept by Convention Operations for recordkeeping purposes.

1.6 Media Consent Policy

Attendees who have their faces covered by fursuit heads and *do not* wish to have their likeness portrayed in any recorded media in any non-public areas must *opt out* of such portrayal. This can be done by approaching any individual with a "Media" badge.

To portray an attendee who does not have their face covered by a fursuit head or other such mask, the party recording must obtain permission from the individual recorded with a media release form.

1.7 Firearms / Weapons

No actual weapons or any item that may easily be mistaken for a weapon may be carried either openly or concealed at any time within the convention premises. If you are unsure about an item, bring it to Convention Operations for evaluation. Weapons include but are not limited to the following: firearms, ammunition, explosives, stun guns, handcuffs, brass knuckles, sticks, clubs, batons, martial arts instruments, pepper spray, tear gas and knives. The only exception to this policy is for law enforcement personnel who are on premises in a working capacity.

1.8 Uniforms / Military Gear

Police, military, paramilitary gear, or uniform equipment may not be worn in conjunction with a costume/fursuit. Uniformed personnel must be in an active-duty status with their military or organization. This applies to both contemporary and historical uniforms and equipment.

1.9 Insignia

Hateful symbols, insignia, or markings that promote activities not appropriate for the environment of the convention are not allowed.

1.10 Intimidating Attire

Spikes, rubber masks, and costumes with excessively gruesome, disturbing, or violent subject matter or themes are not allowed. Examples include, but are not limited to, creepy clowns, excessive blood, dislodged limbs, etc.

1.11 Pooltoy-safe Attire & Areas

In the main area of the convention, where inflatables are displayed, a staffed shoe and badge desk is provided. Badges, lanyards, shoes, spiked attire, pins, and other objects that may damage inflatables or bouncy castles must be removed and stored in this area. We recommend you store your eyewear with your other personal belongings at the shoe check desk to prevent any harm to them, yourself or inflatable toys/attractions. When leaving the inflatables room, retrieve your badge, lanyard and shoes, and other belongings. All uncollected items will be placed in Lost and Found with F.L.A.R.E. when discovered or soon thereafter.

1.12 Inflatables at Get Out The Float

Inflatables used at GOTF are owned by others and not by the convention. Respect for the property of others is required. There is a knowledge gap in inflatable etiquette between furies and inflatables similar to a gap in fursuit etiquette between the general population and fursuiters; to this end we have designated toysitters to help ensure that toys and furies both make it through without anything more than normal wear and tear.

Additional rules of conduct and safety rules will be posted near the main entrance to inflatable areas. Inflatables should be in good repair and presentable for the environment of our convention. Knock-offs or unauthorized copies of furry community characters are not allowed.

1.13 Care for Personal Property

Events during GOTF are not all inflatable- or fursuit-focused. That said, the investment made by our members in their fursuits and inflatables is significant. Some events, by their nature, impart wear and tear on these items; abuse of these items is not welcome. Be considerate when interacting with items that belong to our friends.

1.14 Consent

Obtain consent before physically interacting with any guest or member of the public. It is important to be respectful of personal boundaries. If the person does not want to interact with you, your business with that person is done.

1.15 Harassment

Any kind of harassment, whether it takes place physically, verbally, and/or in writing, in real-world or online spaces, is not welcome at GOTF. If you are told "no" or asked to leave, your business with that person is done. If you continue to attempt to have contact with someone after being told to stop, you may be removed from the premises. If you are the target of harassment, we urge you to report the incident immediately to a member of F.L.A.R.E. or to Convention Operations (Con Ops). The sooner an issue is reported to us, the more quickly and appropriately we can address it.

2 Other Information and Considerations

Remaining sections are alphabetized, below.

2.1 Accessibility Information

The SCCC meets or exceeds all structural and service requirements as stipulated by the Americans with Disabilities Act. The Following services are available to accommodate the needs of our guests with disabilities:

- **Assistive Listening Devices:** ALD are available for loan; contact Convention Operations.
- **Accessible Parking:** Designated parking is available for those with Disabled Person Parking Permits along 1st Ave in front of the Convention Center.
- **Accessible Seating:** Seating locations vary depending on particular events. Please inform Convention Operations if you will require accessible seating.

2.2 Advertising at GOTF

Advertising or promotional materials must be approved by Con Ops and placed only in designated areas. Advertising and promotional materials may only be displayed for events or services that are completely suitable for all ages and rated PG-13/SFW. Do not affix anything to walls, elevators, or to GOTF signage without prior permission from Con Ops.

2.3 AEDs / First Aid / Medical Emergencies

The SCCC is equipped with two (2) Automated External Defibrillators. Locations include: main level Front Lobby (N.E. Entrance) and upper level Landing. GOTF and SCCC do not provide first aid services. Please dial 911 in case of emergency, *then* notify GOTF Operations staff or F.L.A.R.E. We will notify the convention center.

2.4 Allergen Warning

Allergens may be encountered in any area of GOTF. By registering, you agree that GOTF is not liable for any harm resulting from your exposure to allergens.

2.5 Bag Inspection & Searches

All guests entering SCCC may be subjected to a voluntary bag or clothing search. The search is voluntary because the guest can refuse, but that guest will not be permitted entry to the event or the convention center. If contraband is found during a search the guests will be asked to return it to their vehicle or room or discard it.

2.6 Balloons

Helium balloons are prohibited inside the SCCC. Helium tanks are not allowed inside the SCCC.

2.7 Elevator Etiquette

This applies to hotel and SCCC elevators. If you are not in fursuit, please use the stairs if you are able. Please encourage persons with disabilities, non-attending hotel guests (at hotel elevators) and fursuiters in fursuit and their handler priority to use the elevators.

2.8 Expulsion from Convention by Venue or Hotel

If you are expelled from the hotel or other venue for violation of their rules, you immediately forfeit your event membership, must surrender your badge, and will receive no refund. At minimum, we will match the venue's discretion; this will apply to all convention spaces.

2.9 Expulsion from Convention by Get Out The Float

If your actions violate these Terms of Service or applicable Code of Conduct to such an extent that your removal will help restore a welcoming and safe environment for others within convention premises, you will be asked to leave and escorted out of premises. If you are removed from the event, you are not authorized to receive a refund.

Corrective actions, in order of severity:

- Conversation with a staff member.
- Conversation in/with ConOps.
- Badge Pulled / Surrendered for the day.
- Suspended for remainder of the event.
- Banned from GOTF.

2.10 Food and Beverage, Bottles and Cans

Guests are not permitted to bring any outside food or beverages into the SCCC. Respect the posted rules of our venues.

2.11 Gatherings or Parties in Hotel Rooms

Gatherings in hotel rooms must not generate any noise that can be heard in neighboring rooms during quiet hours. Hotel doors must be kept shut during social gatherings and guests are not permitted to congregate in the hotel corridors. Hotel guests who host any gathering are responsible for cleaning up afterward. Excessive amounts of unbagged trash must not be left for housekeeping staff to clean up.

2.12 Goods and Services

Those offering goods or services for sale must be accepted as a vendor with GOTF and have an Oregon state retail certificate or temporary business license. Panhandling, busking for donations, or collecting money of any kind is not permitted outside of activities specifically authorized by GOTF.

2.13 Guest Conduct

SCCC intends to provide our guests with a safe, comfortable, and enjoyable atmosphere.

Therefore, we have established the following rules regarding guest conduct:

“Guests interfering with other guest’s ability to enjoy the event may be asked to leave.”

“Guests using foul or abusive language or gestures may be asked to leave.”

2.14 Hazardous Chemicals and Materials

Hazardous chemicals or materials that, in the judgment of GOTF and/or the Convention Center, could cause damage to inflatables, the center, endanger the life or cause bodily injury to any person in the center, are not allowed without prior written approval of the Managing Member of GOTF, the SCCC General Manager, and appropriate authorities of the City of Seaside. If materials are questionable, contact Convention Operations for further information. Arrangements should be made more than thirty (30) days prior to the convention.

2.15 Indemnity

Anyone who accepts a Get Out The Float (GOTF) membership, badge, or wristband agrees to indemnify and hold harmless GOTF from any claim for personal injuries or other damages or equity arising out of any individual's activities at GOTF, even if such injury or damage is caused by negligence by or on the part of GOTF. As a condition of membership, everyone attending GOTF is required to abide by the rules set forth in this document for the entire duration of their stay.

2.16 Inflatable Suits, Body Suits

There are many types of inflatable and other suits with different considerations for safety of the wearer and those around them. If you or your handler are not in compliance, you may be asked to de-suit or leave the premises until compliance can be met.

1. Air-blown suits, such as commercially available t-rex suits, do not present significant additional safety risks and are approved for both indoor and outdoor use at GOTF.
2. Sealed inflatable suits where the wearer is enclosed require an attentive handler at all times within arms' reach at all times.
3. Inflatable suits, where the head and paws are removable without assistance are permissible without a handler.
4. Suiter must wear appropriate undergarments beneath their suit.
5. If a bodysuit is too revealing for a PG-13 environment, wear outer garments to maintain a PG-13/SFW environment.
6. Inflatable suits and skin-tight bodysuits are allowed to be worn in the convention center.
 - a. Inflatable suits worn for the parade are worn at your own risk and you are required to bring your own personal handler.
 - b. We ask that if you would like to wear such a suit on parade to visit F.L.A.R.E. no later than 1 hour before parade gathering starts on the day of the parade to introduce them to your handler so that we know who is looking after you in public.
7. Suits at the Pool:
 - a. Inflatable suits are not allowed under any circumstance at the pool.
 - b. Vinyl, neoprene or latex skin suits are allowed.
 - c. If wearing a skin-tight suit that requires dressing aid to get into, only water may be used. No powders or lubricants are allowed as they may damage the pool.
 - d. No fursuits or fursuit parts allowed in the pool.

2.17 Lost and Found

During the convention, Lost and Found will be located at the F.L.A.R.E. desk. After the convention our Lost and Found will be turned over to the Seaside Civic & Convention Center.

Guests who wish to claim or report lost articles should contact the administrative offices. Guests who would like to inquire about items lost at a previous event should call the administrative office during regular business hours at 503-738-8585. Lost items will be kept for up to 30 days.

2.18 Lost Children / Lost Persons

Children should be told to contact or brought to the nearest member of F.L.A.R.E., GOTF Staff, or SCCC Staff should they become lost. Lost children will be taken to the administrative offices. Parents looking for a lost child should contact F.L.A.R.E. or GOTF Convention Operations.

2.19 Membership Considerations

Youth and Guardian memberships allow for one paired membership at no additional cost. They have different colors to distinguish their responsibilities from those in other roles.

GOTF functions are open only to members and all participants must prominently wear their membership badges or wristbands where applicable. A badge or wristband is valid only for the person to whom it was issued; badges or wristbands may not be shared under any circumstances.

2.20 Parking

Free parking is available for all participants and staff, space permitting. The parking lot is located on First Avenue just west of the Convention Center. Public parking is not controlled by GOTF or SCCC.

2.21 Payments to GOTF

For registration, GOTF only accepts credit/debit cards for payment. Cash and checks are not accepted. Chargebacks (denying a charge) that are made for the sole purpose of avoiding payment, or that are made without first attempting to resolve the dispute with GOTF may result in permanent revocation of membership. Members who have an outstanding balance due to GOTF must settle that balance before being permitted to return/attend the convention.

GOTF cannot involve itself in financial disputes between individual members and vendors. We cannot divulge information about an individual member to any party other than to banking officials or legal authorities.

2.22 Refunds

All refund requests are evaluated on a case-by-case basis and approved by the convention chair. If appropriate, a partial or full refund will be processed by Convention Operations. Customized items created as part of a membership package are non-refundable. Once you have picked up your badge, refunds for your membership are no longer available.

2.23 Reporting Crimes to GOTF

Individuals who report a serious crime to GOTF may also need to file a police report. Failure to file a police report may result in loss of membership privileges. Operations staff will inform you if we require a police report be filed and can assist you with the reporting process.

2.24 Revoked Memberships / Appeals

Instructions in order to make appeals will be included in any ban letter mailed after the conclusion of GOTF's event. These instructions will include the method to appeal as well as the earliest date when an appeal will be accepted whether 90/180/365 or other number of days after the ban letter was signed.

2.25 Right to Refuse Service

GOTF is a private event; staff retains the right to deny entry to anyone and you can be asked to leave at any time without a warning. Attendees should not ignore any reasonable request issued by convention or venue staff. If you feel an unreasonable request has been made, please bring your concern to the Con Ops via email and they will work to resolve your concern.

2.26 Security Cameras

Cameras that record audio and video are placed to better monitor activity in areas that see higher traffic. Our cameras are placed in Public and Non-public areas of the convention. Access to recordings is restricted to designated GOTF staff.

2.27 Service Pets and Animals

Only trained service dogs, as defined by the Americans with Disabilities Act (ADA) are permitted at GOTF. The ADA defines a service animal as a dog that is individually trained to do work or perform tasks for the benefit of a person with a disability. Therapy animals whose function is to provide comfort or emotional support do not qualify as service animals according to the ADA, even with a doctor's note. Service animals must be under the control of the individual at all times and must be housebroken.

2.28 Sickness / COVID-19 / Communicable Diseases

COVID-19 and other diseases are an evolving threat to the health & well-being of us, our friends and our families. Prior to the pandemic, "concrud" was one of the things you could share with your family and friends to make sure they got something from the con that they didn't attend. That was then. This is now. It's terrible that buffed concrud is so wearable & shareable.

Until further notice, Get Out The Float asks you to not share dangerous concrud. In addition to any venue & government restrictions, if you provide GOTF proof that you are sick, we will issue a refund for your attendance to GOTF in exchange for you isolating yourself responsibly.

Instead of sharing buffed concrud, let us share the joy, charity, friendship, & warmth of our community instead.

2.29 Smoking

Smoking and e-cigarettes (vapes) are strictly prohibited inside the SCCC and our hotels within 15 feet of all entrance and exit points; follow posted signage and any instructions from convention or venue staff.

2.30 Staff / Volunteer Expectations

A staff member's primary purpose is to provide a safe and welcoming environment for everyone participating with GOTF, regardless of role, to the best of their ability. Our staff and volunteers are all volunteer positions. As we grow, we are always looking for more volunteers to help the convention run smoothly. If you are interested, you can find a Volunteers page or Volunteer Application page on our website.

2.31 Substance Abuse

The sale, distribution, or usage of any illegal or controlled substances is unwelcome at GOTF and may be reported to local authorities if appropriate. This includes anyone knowingly or unknowingly providing alcohol to anyone under the age of 21. Please, don't do this.

If you encounter somebody who needs help within the convention space, please alert the nearest GOTF staff member, F.L.A.R.E. member or convention operations as quickly as possible. If it is a medical emergency, dial 9-1-1, and then also inform GOTF or F.L.A.R.E. as quickly as possible. GOTF Con Ops will notify the venue at that time.

3 GLOSSARY

3.1 POSITIONS:

EXECUTIVE: Assistants to, or, LLC members or a Managing Member of GOTF.

DIRECTOR: Person in charge of a department.

MANAGER: Oversees a department within GOTF in cooperation with that department's director.

LEAD: A leader of a team. Leads hold more responsibilities and act to delegate tasks passed down from managers.

2ND, 3RD: An assistant to the leader of a team, may lead the team as needed. All teams for areas that are open all day should at least have a lead plus a 2nd.

STAFF: Members of GOTF Staff are those who have proven their reliability to the convention and serve in specialist and leadership roles. Depending on their role, Staff members can expect to be treated as Sponsors or Patrons. All staff must apply to be staff every year.

VOLUNTEER: A person supporting GOTF by performing shift work during the convention as well as some preparation work. For working one or two shifts/day, a GOTF Volunteer can expect to be treated as Attendees or Sponsors. All volunteers must apply to volunteer every year.

CONTRIBUTOR: Performers, DJs, Panelists, Artists and certain other individuals help make the convention happen by creating the things and activities that draw everyone together. In order to be treated as an Attendee (stackable with other perks), your contribution must be accepted and/or implemented by GOTF. All contributors must apply to be a contributor in Concat but on the individual applications for DJs, Panels, etc, we will only ask for username & user ID#.

PARTICIPANT: This group includes everyone of all levels who attends or contributes to the convention, regardless of role.

3.2 LEXICON:

ALL HANDS: Some activities before, during, and after GOTF will require the assistance of all available staff. This includes setup, tear-down and the Fursuit Walk.

COMMITMENT: A number of hours a staff member intends to work during the convention; or for specific tasks that assist in running the convention. "During the convention" includes all hours worked from time the truck is rented to the time rental truck is returned.

F.L.A.R.E. (FLARE): Convention safety liaisons provide de-escalation services and assist with interpersonal resolution, line management and parade escort to GOTF.

HELIUM RESOURCES (HR): The team that handles staff recruitment and placement within departments and teams for GOTF. Works with Operations for coordinating staff shifts.

OPS: Convention Operations, the information center of the convention.

PII: Personally Identifiable Information must be protected and its release as limited as possible. PII is not to be shared publicly and any requests to share identifying information should be routed through Convention Operations to an executive.

POOL EMPLOYEES: Sunset Empire Parks & Recreation District employees. Lifeguards and front desk workers at the Sunset Empire Pool are not associated with GOTF.

PUBLIC ANNOUNCEMENT: An announcement to inform the public about a [thing].

SCCC EMPLOYEES: Seaside Civic & Convention Center Staff. These are city employees who work and are not affiliated with GOTF.

SHIFT: For most areas, a shift is 4 hours and 15 minutes which includes the 15 minute overlap with your relief for handover of responsibility.

SOP: Standard Operating Procedure. These are written for their departments by Managers and approved and put into effect by an Executive.

SPLIT SHIFT: On some teams, it may be possible to work two 2.25-hour shifts instead of a 4.25-hour shift. Not all teams are able to facilitate having split shifts; but please mark on your volunteer or staff application if you would prefer to be assigned split shifts.

STAFF NOTIFICATION: Letting all convention staff know about a [thing].

3.3 DEPARTMENT DESCRIPTIONS:

OPERATIONS: Ensures that convention events, panels, and activities are properly resourced with people, budget, schedule, and materials. This includes on-site communication, security and safety, badge check, activity rooms, panel rooms and being an information nexus and point of contact for unusual situations in the Operations office. Registration operates as a team within Operations.

LOGISTICS: Handles the procurement of convention equipment, transportation to/from storage locations as well as maintenance of convention-owned equipment. Setup and pack-out of convention equipment including all information technology (IT) matters of responsibility are handled within the Logistics Department IT Team.

BUSINESS: Where the convention intersects with the public, our Business team is responsible for granting / escorting media in convention spaces as well as any press releases, working with charities, vendors, venues, civic authorities and crisis management should they be needed. This department also handles Con Store; as a point of interaction with most all convention attendees.

INFLATION: The largest physical area of the convention are our inflatables, inflatable castles and other activities. Staff in this department are primarily Toysitters (for safety in/on inflatables) and Shoe Check (where attendee badges, shoes and other worn items are stored for temporary safekeeping while attendee is interacting with inflatables). This department plans and manages the inflatables and people within their space. Typically the Pacific, Necanicum West, and Main Stage, totalling ≈15,000 ft².

ART & MEDIA: The department formerly known as “The Art Dept” is responsible for the look and adherence to the theme of the convention in all mediums we produce (photography, videography, artwork, animation, written works, etc).

PRODUCTION: The execution of convention main events can’t be done without a Director and Stage Manager, to say the least. The Production Department includes Audio/Visual (AV), DJ Coordinator, Master of Ceremonies and others who oversee main convention events. Each event will have a named person in charge of that event.

4 Administrative

4.1 TOS Updates

The version of the Terms of Service posted to the GOTF website Terms of Service page is considered to be the Terms of Service in effect during the convention. Get Out The Float will update these terms on an as-needed basis and will provide a notification post on the website, Telegram announcements as well as other locations.

If you cannot consent to a given TOS change or update, you may receive a refund for your attendance if you have not yet received your badge or wristband. The act of receiving your badge is consent to the latest Terms of Service.

4.2 GOTF Terms of Service Revisions:
